CONCLUSION

As always we have achieved our objective of joyful singing for the community and our family and friends. This year we are looking forward to holding a Christmas Concert for the Older and Disabled people of Eastleigh on Saturday afternoon, 3rd December 2016. We are hoping there will be enough places left at this event to enable us to invite family and friends.

We are delighted to welcome new members to the choir and we continue to encourage everyone to put forward new ideas.

We look forward to another very enjoyable and fulfilling year.
